

Progress... a word evoking a sense of accomplishment. "In Progress", however, is a daunting reality. It's the slow and painful trek toward excellence that can sour the aspirations of the most ardent optimist...

LEGACY IS A PROCESS, *Build With Strong Roots*

**STRONG
ROOTS**

BUILD • GROW • LIVE

Writing these spots each month for Lifestyle has forced us to consider what uniquely defines Strong Roots. And here it is: We love the process.

Planning, real-time problem-solving, and the finer elements of daily execution, invigorates the ultimate celebration of a successful new build.

If these unrefined pictures offend, we apologize. However, they inspire Strong Roots in the daily pursuit toward the fulfillment of a client dream. It gets us up in the morning, makes our heart race, and allows us to sleep well at night.

Let's (In)Progress together!
