

*For each new morning
with its light,
For rest and shelter
of the night,
For health and food,
for love and friends,
For everything
Thy goodness sends.*
- Ralph Waldo Emerson

For some of us, enjoying the time, health and intimate connections we are gifted may take some perspective and effort. As the world seems to grow in complexity each year, our hope is that we all nurture the simple gratitude of the season.

As local homebuilders, Strong Roots appreciates the wonderful sense of community here in Hill Country. We are thankful for the opportunity to build out the subtle attributes of a home that encourage the daily appreciation of all these blessings.
